

## **COSCO CONTAINER LINES (NETHERLANDS) B.V.**

COSCO Container Lines Co., Ltd. ("COSCON") is to launch a new Europe-South America Express service (ESE) .

COSCON, will start a new, weekly full container service, connecting the European North continent, the Mediterranean, the Middle East and South West Asia with South America.

The ESE Service will deploy six ships of 2500 TEU capacity as from beginning of March 2011, starting from Europe. In Rotterdam the ECT Home terminal will be called.

The weekly ESE service will have the following port rotation: Rotterdam, Hamburg, Antwerp, Algeciras, Rio de Janeiro, Santos, Itajai, Santos, Algeciras, Rotterdam.

A call in Paranagua is planned at a later stage.

The northbound and southbound calls at Algeciras will provide connections to/from the Mediterranean, the Middle East, Far East and Africa.
